# ON THE ROAD TO FIND

Rayder  
1976-77

Charlevoix High School  
Charlevoix, Michigan

Well I left my happy home to see what I could find out. I left my folks and friends with the aim to clear my mind out . . .

Well, I hit the  
Rowdy Road and  
many kinds I met  
there, many stories  
told me of a way  
to get there . . .

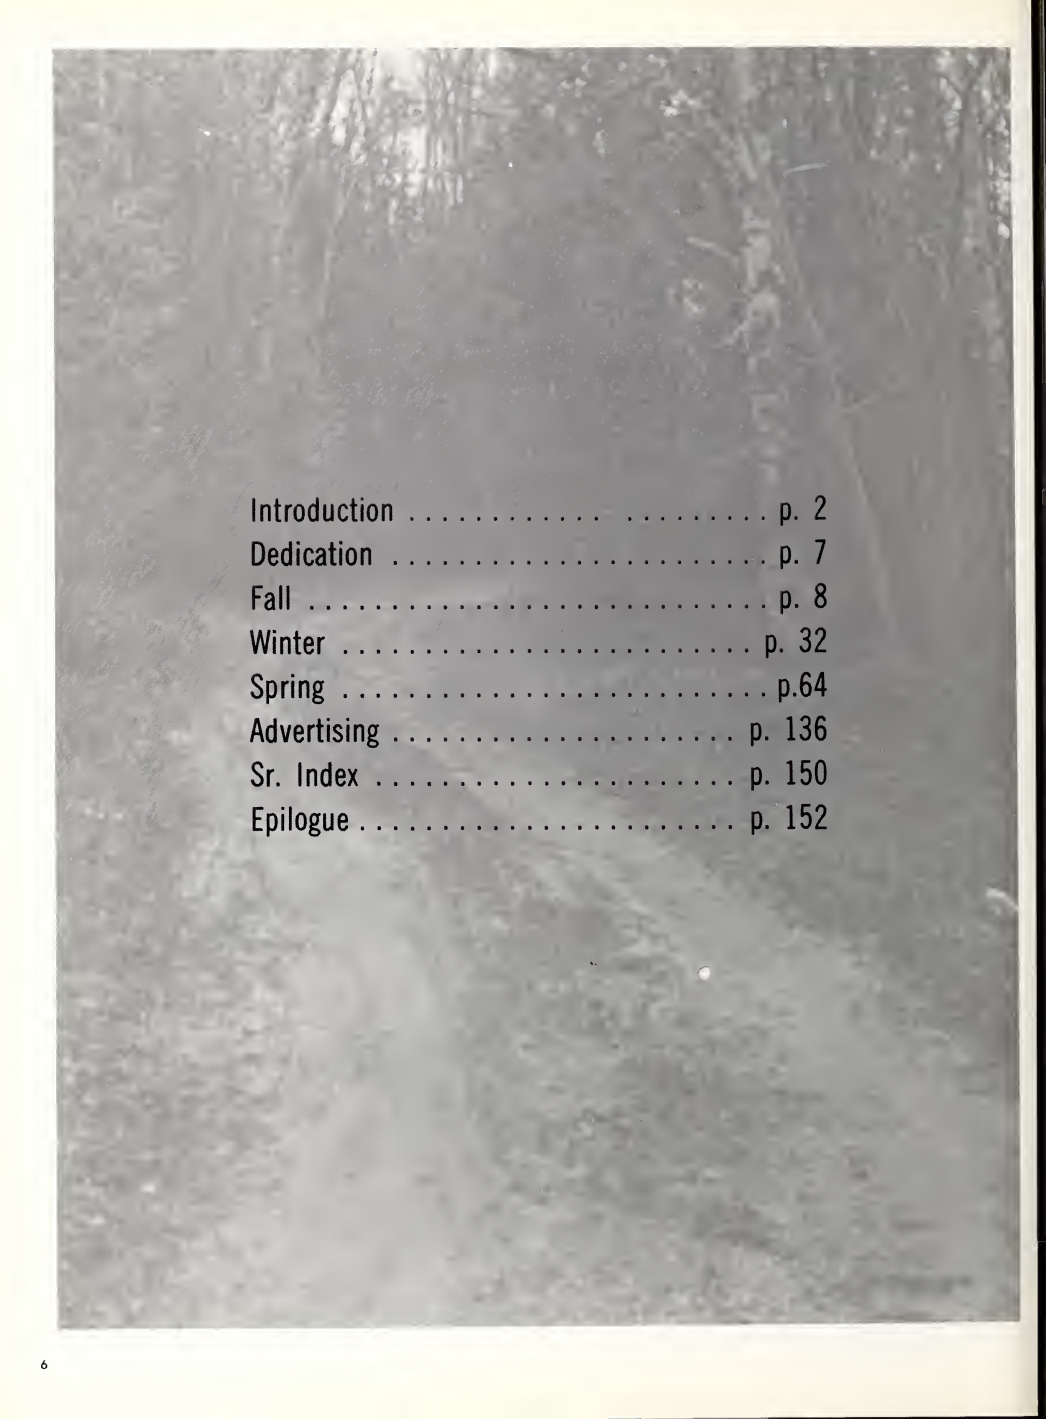

... So on and on I go, the seconds tick  
the time out there's so much left to  
know and I'm on the road to find out.  
Well in the end I'll know but on the way  
I wonder through descending snow and  
through the frost and thunder. I listen  
to the robin's song saying not to  
worry . . .

So on and on I go, the  
seconds tick the time out,  
there's so much left to  
know and I'm on the road  
to find out.

## Dedication

For giving us a segment of his life,

For giving us a line to follow and a  
point of interest,

For giving us the knowledge to help  
us beat the odds and formulate  
an hypothesis of life,

For helping us establish an identity  
with a favorable perspective of the  
world.

And most of all, for making his class as  
easy as PK.

We the students of Charlevoix Yearbook  
Staff would like to dedicate the  
1976-1977 yearbook to MR. GLEN TAYLOR.

# 1976-77 CONFERENCE CHAMPS IN ACTION . . .

"Size ten Lee 31. That head of yours gets bigger after every season."

Even with these questionable beginnings, this year's Rayder football team stormed to a portion of the conference crown. The season began with a slow start against Onaway, but the team shifted into high gear at Benzie Central as the Rayders started their winning ways. These winning ways were thanks for hard practice to which Coaches Carey, Presnell, and Gowell contributed largely. Even though some of the players got sinus headaches from the smell of BenGay, sprained thumbs were the chief issue of each practice. Finally as the season came to an end, this year's Rayder football team finished another great season.

Varsity Football 1st row: P. Klooster, B. Bellows, D. Boss, J. Alger, R. Muma, R. Stebe, J. Elzinga, T. Left, K. Speer, B. Williams, B. Avery, G. Carter, T. Fowler. 2nd row: Head coach Don Carey, S. Boss, J. Kerner, D. VanLoo, S. Hufford, J. Wellman, C. Passehl, E. Bourke, B. Klooster, L. Begrow, N. Dziedzic, N. Browe, M. Malpeli, B. Tillen, C.

Down-up, down-up . . . take a lap . . . o. k., Log rolls . . . come on roll! . . . roll . . . roll . . . take a lap . . . o. k., hit the sled . . . Ugh . . . Hit . . . Ugh . . . Hit . . . Ugh . . . Take a lap "Boy, I wish I could lap up some water!"

This was one of the best J.V. football teams in years at C.H.S. . . They tore up the fields to bring home five wins and zero losses, and three ties. Of course the hard summer practices burned them up, and the cool fall practices gave them cold hearts, but next year the great J.V.'s will turn into the awesome Rayder football team.

## "Comic Books . . ."

... were the "in" thing for the freshman football team. At least on the bus to away games. The "comic books" kept the boys on the frosh football team so busy they forgot about the upcoming game. Their 1-7 record certainly shows this. The "comics" kept one boy so busy that he only remembered to wash his practice jersey once ... throughout the whole season! Maybe that's the reason they lost so much ... they were overwhelmed by the odor!

# Get Your Spirit Showin' . . .

This year's Fall cheerleaders led our team onto an exciting and rewarding season. Although there were only two squads, Varsity and J.V., it made no difference in the amount of spirit at C.H.S. I'm sure you remember the crazy skits and fun money making activities.

Being a cheerleader is not an easy job, but it does pay off.

# Practice, Practice, Practice . . .

. . .that's what it took for the girls' varsity basketball team to be able to finish with the kind of record they did.

Maybe part of the girls' success was the way they prepared for the away games. On the bus, they got themselves "physched up" by reading "certain magazines."

Because the girls weren't real serious about the games, they were able to have fun both on and off the court.

Besides enjoying the shooting, dribbling, and passing, the girls had plenty of locker-room fun. This "fun" included sliding races on the shower-room floor, and the taking of pictures while doing so.

So the year wasn't a failure any way you look at it.

# That's the Way the Ball Bounces!

...into basket, after basket, after basket. Anyway that's the way the ball bounced for the J.V. Girls' Basketball Team who finished with a 15-1 record.

It seems the girls spent many long and hard hours on the court practicing which seemed to have no end! They practiced everything from passing to tying their shoes.

When the practice session was over it always seemed that there was another—and another—until the season was finally over; when the girls put away their basketballs, cherishing the past year, and waiting for the next.

# The Golf "Club"

The Golf team went to spectacular heights when State Finals were seen, even though only seventh place was taken, it was worth the turmoil.

They might not be the best, but wait until they ripen. They'll get under "par" yet!

## Band! A-Ten-Hut . . .

With many long, hard hours of drilling behind them and Stutzmans whistle broken in, the C.H.S. Marching band was ready to start a season of performances. Unfortunately the Flag Corp didn't know exactly what they had gotten themselves into! Not only was a small note of irritation detected from the band towards the weather, but at times a whole measure! It seems each step was grin and bear it, but the satisfaction in the end was worth it.

## Homecoming Court and Escorts

## T.V. Commercials . . . .

Main Street was buzzing with students, busy painting victory slogans on store windows. Garages were filled with pure pandemonium as classes did last minute touches on their floats. The queen to be and her court were probably the five most nervous girls in Charlevoix. You could feel the excitement in the air as everyone waited for the evening's results. "And the 1977 Fall Homecoming Queen is . . . Julie Wimmer!!!"

Friday was a total waste as far as school was concerned. Nobody could study because their minds were centered on the night's game. Finally it was 7:00 and the rain was beating down hard, destroying all the work that had been done on the floats, but still they drove on. First was taken by the Sophomores with, "McRayders," second by the Freshmen with, "Coke Adds Life," and the Juniors in third with, "How Do the Saints Spell Grief?" All were battered and torn by the wind and rain, but it seemed that the Seniors bombed the worst when their float caught a strong gust of wind while crossing the bridge. Needless to say, the Seniors took last place with their float, "Right Guard." Mr. Stutzman and his band put on one of their great half time shows to help the Rayders defeat St. Ignace. Everyone put forth all their effort and craziness; and were rewarded with a victory dance.

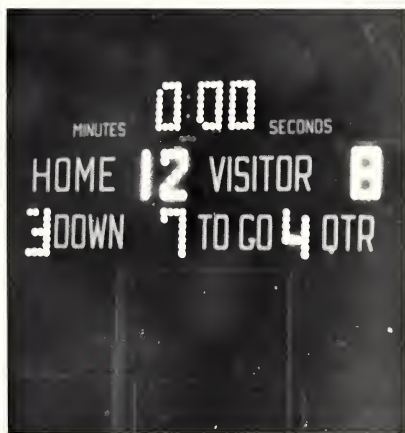

# The Big Game

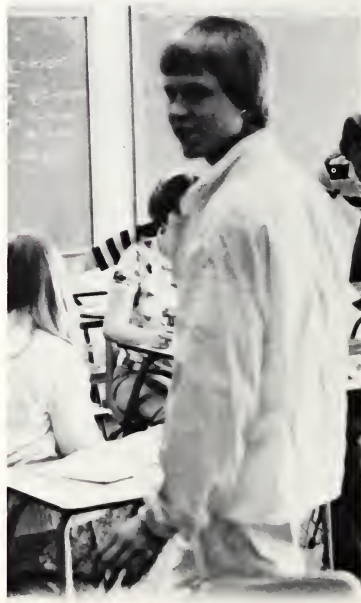

# Classes . . .

Unfortunately, student life is more than football games and extra-curricular activities; student life is also having responsibilities toward classes.

Students spend time working on class projects, homework assignments, and studying for exams to fulfill their responsibilities.

Then there is the "fun" side of classes: the teachers' jokes? (sometimes they are too much to take), passing notes, throwing paper wads, and "subs."

But when the last exam is taken, and the last book is turned in, a sigh of relief escapes from the mouth of each student . . .

# Debaters

With our motto, "If you can't dazzle them with your brilliance, baffle them with bull!," and a little bit of rest-stop hustle, the debate team pulled thru. Determined to resist Eric's voice, both teams took second place in League. Those receiving speaker awards were: Julie Wimmer, Laurie Helms, Ann Watson, Matt Stangis, Scott Swanson, and Corinne Ranger. Our State Finals trip to Motown was a real experience. By the time we recovered from Brian and Waldo's shorts we realized we had to remove the drunk from our room! All in all, the Varsity Debate Team placed seventh in the state; finishing the season victoriously.

# Conference Champs Burn Up the Court

"Hey coach, what should we do now?"

"Now, now, just calm down, we're still in the game. Now, play one. Bud, you bring the ball down to center court and shoot, Mid you get the rebound and breathe hard, Scott you then go to the outside and dance on your tiptoes for a while. Matt you go in the corner and be quiet, Neil, see how many times you can touch the rim."

That's a far cry from what the super Rayder team was really like. The Ray-

ders burned the courts, and some opponents to bring home a school record of 18 wins, 5 losses. Along with the record, the team also took home the conference trophy, which hasn't been set in the trophy case for many years. All this may never have happened, but thanks to hard practices and determination, it did.

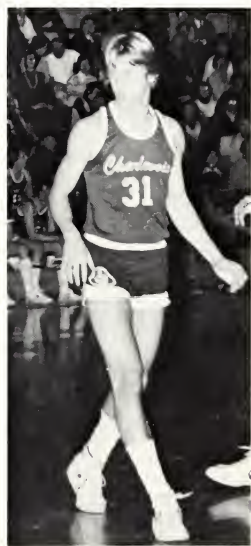

Sure, all the of practices gave some pain, but at the end of the season, the pain changed to pride.

# The Little Dribbles

Those gallant little boys trying their hardest to dribble that big basketball down that "oh so long" court, ended up with a satisfying record—at least it must of been to one member of the team . . . Though Mr. Gowell and the team members tried their hardest, there just happened to be a few (?) teams that were better than them . . . But just think, next year those little boys will be . . . Well?

# Campus Life

Jim Lafoon  
Look-Alike Contest

Every Wednesday night at 7:30 P.M., Campus Life meets in the homes of Charlevoix High School students. The group meets so the students can learn what exactly they believe, how to express their feelings, and also for fun group-activities.

Some of the regular activities are: roller-skating every month, selecting a candidate for the Sweetheart Pageant, trips to Florida and Colorado, and outing to the Pictured Rocks, and canoeing.

Some of the memorable activities during the meetings were: relay races, leading a blind-folded person around the room, "The Hot Seat," mummifying a person with toilet paper, lacing a carrot attached to a string through their clothes, and dumping ice water on a person.

# Hey, We Got Soul!

Full of cheer and vigor, always pounding the floor for the Rayders, the CHS J.V. and Varsity Cheerleaders do their share for a Rayder victory.

Close games and lost pom poms, bake sales and sore throats; all this and more spell out what cheerleading at CHS is: To put it in Rayder terms—WE GOT SOUL!

# DISNEY CHARACTERS???

With the ground covered with snow and sub-zero temperatures, Charlevoix High was ready for Winter Homecoming . . . The gym was packed Friday night with excitement as Gaylord and Charlevoix dribbled up and down the court. . . Halftime found Teri Hufford and Tracy Sell the queen and king. . . When the final buzzer sounded, it was Charlevoix out front (Talk about the thrill of victory!!). . . The King of the

jungle reigned once again when the Senior's lion placed first in the ice sculptures. . . "Rayder Country" done by the sophomores took top prize in the hall decorations. . . The ice sculptures melted and as the hall decorations were taken down, Winter Homecoming of "77" remained in the memory of those at CHS. . .

... have to be the most consistent of all the CHS athletic teams. They won three tournaments, finished an impressive third in conference, and placed a spectacular second in Districts. It was a phenomenal how they were always winning but they weren't always working. Just like all other teams, they had their fun times. The time at state when some mat maids and members of the team walked into the ritzy hotel bar in jeans and ordered before finding out it was a bar, is one of the most memorable times. Frequenting bars was not one of the wrestling traditions although wearing jeans was.

. . . their way to victory. That's the way the boys 76-77 Rayder ski team skied their victorious meets which placed them second in conference. Their captain Lee Begrow skied his way to a third place in state and a place on the all-state ski team. The girls team with captain Lisa Wiemer didn't finish as well as the boys team (Thanks to the distraction from Nick Nixon) Oh well, so much for equality!

Both of the ski teams this year were full of the natural craziness typical of previous teams. Every night you could find those dilligent kids out on Mount Mc Sauba trying to ski as technically as possible.

# Begging You Please . . .

. . . let us win!

With cramped legs from new knee-pads and a brand new coach, the varsity volleyball team finished with a disappointing 9-9 record, even though they did finish fourth out of eight teams. With only four returning lettermen, what can you expect?

The very first year of a JV team and they finish with a better record. That just goes to show what youth can do. This season won't be forgotten, for the memory of the snowed-in Rodgers City game, and the sweet singing of the varsity girls will stay in the minds of the girls for years to come.

# Our Windy Pipers

This year the Symphony Band, under the direction of Mr. Gary Stutzman, continued to spread the good name of the Charlevoix High School Band. Even though they got off to a slow start, "Will the Cornets, Trombones, and Tubas PLEASE be quiet." After playing "Overture In B Flat" so many times they had memorized it, the Symphony Band brought home a first division rating at district. Although the second division rating at State Festival was a disappointment, the year ended on a happy note when the band traveled to Lansing. "Hey, we're on T.V.!" The experience there will not be soon forgotten.

# 76 Trombones

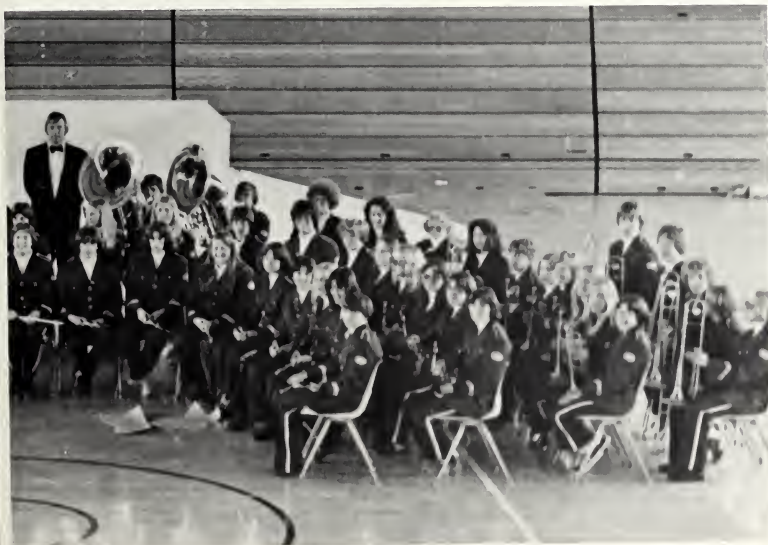

Well-not quite, but with an instrument range from cymbals to bassoon, the Concert Band of Charlevoix High School played their way through the '76-'77 schoolyear. The Concert Band's activities included; school and public concerts, District II Band Festival, and State Band Festival. The band recieved a I division rating at District and II division at State. And as the year closes, the player's mind will long remember the songs. . .

## "Do Re Mi"

They made it. The Charleviox High School Choir survived the perils of winter: the sore throats and sniffles, their director arriving late (due from being stuck in the snow), and the cold and snow itself. Only a group with "so" much determination could even be able to sing at 8 o'clock in the morning.

But they did it. They sang through warm and cold, snow and rain, and sunshine and many other things. Their determination enabled them to give many fine concerts.

## For All Types of Talent

## “helping to improve our school and community”

Planning school activities, helping Charlevoix's organizations raise money, making conference banners for the gymnasium were but a few of the jobs the '76-'77 student council had. Of course the elections at CHS would have failed but, with Joe Thomure's help, they were a definite success.

Going to League Student Council meetings and just helping to improve the school and community were kind of tiring so at the end of the year the council decided to turn May 25th into . . . PIC-NIC TIME!

# Hablamos Español

"We speak Spanish!" was what the members of the Spanish Club said. The club met for those who were interested in learning and gaining knowledge about the language, customs and culture of the Spanish people.

The club's main objective was to raise money for a trip to Mexico. With the aid of the advisor, Ms. Kravutske, the Spanish club held many bake-sales to raise the money. Other activities of the club included: a pinata party at Christmas, and painting the walls in the Spanish room.

# Français

Remember the French Club? Remember all the noise coming from room twenty-six on Monday nights after school? Remember all the bakesales, the dances, and the French Club Production? Those adventurous members who went on the trip to Quebec, and survived the bus ride? Even though the bus ride was long, and cold, the festive atmosphere of Quebec provided many memorable moments, especially on the fifteenth floor!

# Did We Miss a Deadline? What's a Deadline?

So last year's yearbook was a little late . . . . A LITTLE??? but then mistakes are made . . . Well Mr. Smith we're trying to raise money . . .

They fought about the theme and what should go where (with pictures like the photographers were turning out, there wasn't much choice.), and missing deadlines but FINALLY they got it out. Next year Mr. Smith says things will be different.

"C'mon! This issue was supposed to be out three days ago!" "We're out of ink again!" "I lost the front page article!"

Cries of this kind were often heard first hour from room 74. But the "Flash Staff" did manage to put out several editions of the "Crimson Flash" and "Poems and Things."

And now after hours and hours of sometimes frustrating work, the staff can now put away their pens. . .

# Forensic Trophy Taker's

Forensics started out with a lot of enthusiasm and no money. But have we ever been out of the red? Bake sale by bake sale the team made it to the tournaments and brought home more trophies than imaginable . . . Although we almost melted them down for money! Making it to State were Louise Caldwell, Lynn Blanchard, Sue Miller, and Laureen Helms with Ann Watson and Laurie Dusdal as alternates. The immortal words can still be heard echoing through room No. 74, "Not another bake sale!!!"

# Blood, Sweat, and Cheers

Being pushed by new coaches, Plas Presnell and Hal Evans, our own goals and leperchans, the boys track team got off to a running start. Between the team mile and encouragement from our team captains, the team definately shaped up. Later they brought home the Petoskey Relay title and qualifying for State, the team was really rolling along. They finished the season respectfully and are really looking forward to next year and many more "dog fights".

# On Your Mark . . . Get Set . . . Go!

With Mrs. Osterberg as coach and Mr. VanGuilder as assistant coach, the girls started out the track season with confidence, and proceeded throughout the season, winning nearly all of their meets and displaying our C.H.S. aggressiveness and pride.

Days of hard work and training paid off as the number of victorious meets increased, the girls' willpower and determination helped too. We're proud of what our girls can do.

## Awards

Finding time to participate in sports, band, cooking etc. and still keep up academically is a real challenge, and thus, it is only proper to be awarded for doing so. Well here it is "the award section" for all those special students being awarded for all those special academic, and non-academic things they worked so hard on.

# Paddles Away!

On a cold, rainy day, approximately seventy smiling seniors left for what was supposed to be a trip. Everything turned out all right though, Mr. Anderson, and Mr. Green were thrown into the cold river!

It wasn't Cedar Point but what the heck, at least we got a trip, Mr. Smith!!

# Trail Blazers

Even though we don't confront these administrators very often they work very hard to keep the wheels turning smoothly.

We would like to thank all of them for their hard work and effort throughout the school year, we would also like to express our gratitude to Mr. McKimmy for his expertise as Superintendent; and we are sorry he is leaving us.

Trying to keep a school running in the seventies has been a rough task for those who have been given the difficult duties. The soaring costs of education coupled with the millage vote that seems to go down every time, at least for the first one or two ballots, have been the problems that faced the Charlevoix Board of Education.

With knocking knees, the Freshmen class entered the massive gymnasium of Charlevoix High School, not knowing what the year had in store for them. The first pep meeting was indeed a surprise, and will long be remembered. It took them awhile to catch on but finally they got it. Their float placing second at Fall Homecoming brought yet another surprise. Their few bakesales could be called unsuccessful failures. Other money-raising activities also bombed. Winter Homecoming showed they had spirit, but not quite enough to beat the sophomores. Then came their first "exams," dreaded and feared by all. The year wasn't a complete failure though. They did break one record. Their lockers had the most writing on them in the history of CHS. All in all, this indeed was a year of surprises and memories for the class of "80". . .

# Sophomores

Some willingly and some reluctantly, the Sophomores returned once more. Filing into the gym with last years experiences in memory, they were prepared to enjoy watching the Freshmen undergo the same torture and humility that they once knew.

Being big mouths of the school is quite a name to live up to, but the Sophomores have mastered it! Pep rallies became

no competition, for the Sophomore always had a sure win. Spirit? Yes, the Sophomores are packed with it, they led the school as far as energy is concerned. Spirit week, hall decorations, homecoming floats, yes the Sophomore won them all! On the other hand they might have been wrapped up in pleasure too much, for they led the school with a record of sixty-one over-due books!

## In Memory of . . .

Once in a while a friend is found who  
is a friend right from the start,  
Once in a while a friendship is made  
that really warms the heart,  
Once in a while a friendship is formed  
to last a lifetime through.

Once a friend is gained  
He may be sadly lost  
It does happen, once in a while.  
It happened to me and you.

It all started about thirteen years ago, when we learned how to count from one to ten, to get along with other kids, (so they thought), to finger paint, and how to tell the girl's restroom from the boy's. As time went by, things changed and so did we. Junior High and braces had arrived. Then came the impossible, High School. With football games, dances, and for some lucky freshmen, a glimpse at the Prom. But, nothing could compare to the dream of being a senior, and the rule of the halls. We had a head start of ruling, when we took over the heater in front of the main office. Then it was all over. Graduation had come and the only thing left was the memories of our High School years, never to be forgotten.

# Now Is the Only Time

Thank God, we finally made it! It only took us thirteen years. Just thirteen!! As always, our class gets the rotten end of everything. But not this, when graduation was over, we gave everyone a surprise when we pulled the party poppers. It didn't seem real until we marched across the platform with diplomas in hand. Knowing one thing had ended and another was just beginning.

Thomas David Fowler, Valedictorian.

Susanne Louise Greene, Salutatorian.

The Future  
Not yet  
Here.

As time goes by, we will remember the good times we had in the halls of CHS and some events we would like to forget. Each will go his or her own way, hopefully better prepared because of the memories we have behind us.

If the class of 1977 could have one quote to fit everyone it could be "In school the best minds are not necessarily those who mind best."

SO PASSED THE SEASONS,  
AND IN OUR ENDLESS SEARCH FOR THE  
EVER-BETTER,  
WE FORGOT THE BEAUTY OF SENTENCE DIAGRAMS  
AND ELECTRON CONFIGURATIONS AND WOODEN  
DESKS CARVED WITH OBSCENITIES.  
WHILE THE STORM RAGED OVER OUR OWN HEADS,  
WE COULD SEE SOMEONE ELSE'S SUN  
SETTING ON THE WATER.  
WHAT WAS OUR CHOICE?  
WE STRUGGLED, WE LOVED, WE THOUGHT WE LOVED  
BUT WE LACKED THE DEFINITION.

ONE GENERATION PASSETH AWAY  
AND ANOTHER GENERATION COMETH:  
BUT THE EARTH ABIDETH FOREVER.
